TASTING NOTES

Appearance: Excellent depth of colour. Rich cherry colour with a brick red rim.
Nose: Fruit and spice combine harmoniously with toasted aromas to give good intensity on the nose.
Palate: Balance and complexity are revealed on the palate. This is a meaty and flavoursome wine, full and long on the palate, yet well rounded.

SERVING SUGGESTIONS

Enjoying this wine without food or as an aperitif reveals its true complexity. However, its distinctive qualities are a perfect complement to traditional casseroles and stews, chargrilled meats, iberian cured meats, game and cured cheeses. In either case, it is best served in a suitable wine glass at a temperature of between 16° and 18° C.
