## VINIFICATION

Maceration without fermentation: 3 days

Alcoholic and malolactic fermentation: 12 day<sup>s</sup>

Average fermentation temperature: 23°C

In barrel: 3 months

Type of barrel: American and french oak

## TASTING NOTES

**Appearance:** The wine shows a medium to high depth of colour in the glass. Deep red in colour, the distinctive purple tinge at the rim is an indication of its youth.

**Nose:** Pleasing on the nose with good aromatic intensity. Red fruit and raspberry against a background of liquorice and a subtle hint of roasted wood.

**Taste:** Clean attack and flavoursome sensation. Agreeably smooth and fresh with a good persistence in the mouth.

## SERVING SUGGESTION

This wine is the perfect accompaniment to cheese soufflés, highly seasoned meat dishes, roasted and grilled meats, vegetable casserole, rice, pasta and vegetables. It also sits well with desserts and strong cheeses.

Best served at temperature of between 16° and 18° C.

## FORMAT

75 cl. bottles available in boxes of 12
