

FINCA VEGA REAL

ROBLE

Land shapes character, all the more so when we are talking about vineyards dating back to 1950. We might say that rather than belonging to the Ribera del Duero region we are at one with it.

Finca Vega Real is a bold wine that is sure to make an impression. The fruit of decades of care and custodianship of vines that have stood for over 70 years, it is the very essence of our origins, via a decisive reinterpretation of the terroir.

TASTING NOTES

Intense garnet colour with violet rims. Medium-dark and clear.

Aromas of fresh dark fruits: blackcurrant, blackberry and plum. Subtle hint of wood, featuring delicate toasted notes masked by the potency of the fruit.

Wonderfully structured on the palate. Tannins are intense yet at once sweet and appetising thanks to the old vines. Good acidity that adds a crisp touch. Fresh black fruits and a note of blueberry. Gentle finish with barely a bitter note. Lingers in the mouth.

PAIRING AND SERVING

Its singular flavour is the ideal complement to mature cheese, grilled or roast meat, vegetable stews, mushrooms, pasta dishes or rice.
